

# MG200/35 | MG400/18 MG500/15

## Including softstart:

All models have automatic start / stop and soft start.

## MOBILE COLD WATER CLEANER

Powerful and robust high-pressure cleaner, where high pressure or large flow is required, developed for the larger tasks in agriculture and heavy industry, with a focus on functionality and ergonomics. Extremely solidly built of galvanized steel plate, quality motor with flex coupling and pump with ceramic pistons. The machine has pressureless control, automatic start / stop and soft start.
