

B220/20

Galvanized frame

The galvanized frame is developed for lift and transportation by forklift.

Integrated hose reel

With manual hose reel in stainless steel, for 50 m hose.

MOBILE HIGH PRESSURE CLEANER UNIT

Transportable cleaner unit with 300 L tank, for water or chemical mixture, incl. automatic float valve to avoid overfilling. Built with a powerful Honda GX390 motor, electric starter, ceramic pistons and battery.
