

410/200 | 670/200

Accessories:

For larger piston compressors we always recommend an automatic water drain, to ensure optimized operation.

Aut. water drain, complete with timer, filter and nipples: Art. no. 400470

15 BAR COMPRESSOR

Compressor designed for 15 bar pressure, suitable for light industrial tasks that require high pressure. Equipped with cast iron cylinders. Available in two models, with 3 or 4 kW motor, both mounted on a 200 L air receiver.
