

# 600/90 | 600/270

## 90 or 270 L?

If you require a lot of air, you can choose the 600/270 model. Same motor and pump, but with a bigger air receiver.

If mobility is more important, the 600/90 model, with wheels and handle, is the choice for you.

## PROFESSIONAL COMPRESSOR

Strong, reliable compressor with two cast iron cylinders, well-suited for use in the auto repair shop. Available as a mobile version with 90 L receiver, or stationary with a 270 L receiver.
